

## Casino Cashier

Casino cashiers work in an area of a casino known as a cage, which is basically the casino's center of commerce where money, casino chips and paperwork are circulated. In this course you will learn how to exchange tokens, tickets and chips for cash and how to carry out a variety of transactions in a casino and handle any required paperwork.

- Duration 4 weeks, 100 hours of instruction and practice
- Timetable Monday-Friday 5 hours a day
- Entry requirements: over 21, English level B1, no criminal record, book keeping elementary
